## **TERMS OF REFERENCE**

**DUNCAN VILLAGE BUY BACK CENTRE AND INTEGRATED WASTE  
MANAGEMENT, PROJECT MANAGEMENT AND IMPLEMENTATION SERVICES**

Buffalo City Metropolitan Development Agency ("BCMDA")

**TERMS OF REFERENCE: DUNCAN VILLAGE BUY-BACK CENTRE AND INTEGRATED WASTE MANAGEMENT SERVICES – REQUEST FOR PROJECT MANAGEMENT AND IMPLEMENTATION SERVICES “TO BE READ TOGETHER WITH THE APPENDED BUSINESS PLAN”.**

**Request for submission of proposals for the Project Management and Implementation Services of the Duncan Village Waste Management and Implementation Programme in the Buffalo City Metro**

The Buffalo City Metropolitan Development Agency (BCMDA) is calling for formal written proposals for appointment of a professional service provider for the provision of Project Management and Implementation services of the Duncan Village Buy-Back Centre and Waste Management Programme.

Buffalo City Metropolitan Development Agency (BCMDA) is a state – owned company (SOC Ltd) – municipal entity wholly owned by the Buffalo City Metropolitan Municipality and established in terms of S76 of the Municipal Systems Act, 32 of 2000, as amended. The BCMDA mandate is centred on investment attraction and economic growth into the City while maintaining strategic alignment with the Buffalo City Metropolitan Municipality (BCMM) through the Metro Growth and Development Strategy (MGDS), and BCMDA has a critical role to play in ensuring the City realises its strategic aspirations by performing both a facilitation function as well as a delivery function.

The mandate includes Property Development, Tourism (Infrastructure) Development, Investment Promotion and Socio-economic Development. This mandate seeks to redress the macro challenges of poverty, inequality and unemployment and relies on the implementation of projects that are part of the Agency’s normal working processes.

Therefore, emanating out its strategic plan with an outcome orientated goal of an ‘improved socio-economic benefits to the City’ aligned to the MGDS Vision 2030 Pillar of ‘A Green City’, the Agency had recognised that the identification, planning and implementation of development projects, specifically with formulation of strategic partnerships with various government departments and programmes that share similar goals and outcomes, in the fulfilment of its mandate. This largely resulted in the pursuit of government funded programmes necessary to ensure the most advantageous development projects for the Municipality and the entire Metro.

In getting the work towards implementing its mandate in place, the Agency made the decision to pursue government funded programmes for implementation within the City. In 2019 the Agency, through the parent municipality, submitted a proposal to National Treasury for funding of a pilot waste management project within BCM. The project comprises of five (5) key components; with construction of a Buy-Back Centre in Duncan Village as the key component. The project seeks to deepen the waste management value chain in the Buffalo City Metro with Duncan Village as a pilot. The pilot’s focus is mainly on the plastic waste value chain retained within the Metro, whilst contributing to

other waste streams (e.g. glass, paper/cardboard, metal, etc.) being transferred out of the City.

To ensure that the BCMDA consistently meets its service delivery targets as communicated through its Strategic Plan and Annual Performance Plan, sufficient resources and effective measures need to be put in place. To achieve this, the Agency needs, from time to time, the assistance of professional service providers from various industry sectors to manage and implement some of the projects undertaken by the Agency.

This Request For Proposals (RFP) therefore seeks to appoint a suitably qualified professional service provider for Project Management and Implementation Services of the Duncan Village Buy-Back Centre and Waste Management Programme, in East London.

**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

---

1. This Municipal Bidding Document (MBD) must form part of all bids<sup>1</sup> invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a) disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b) cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This MBD 9 serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:
  - a) Includes price quotations, advertised competitive bids, limited bids and proposals.
  - b) Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete. 2
